Hello Summer!

Summer has definitely arrived and the heat is making sure we know it! We hope you are managing to stay cool (if your AC can't keep up, we gotta guy!) Enjoy that summer sun!

Compliance Corner

ThinkHR -One of the many things we have learned in the past few months is the importance of Human Resources (HR) and HR support for our clients. This is why we are now offering ThinkHR as a complimentary benefit (with unlimited access) to ALL of our clients. Check your email for more information and a registration link for an informational webinar on August 4th. (Please reach out to Lexy if you need assistance: alexisknott@gbdinc.net)

Support Small Business!!

For those of you who are going back to the office and looking for PPE, check out [3D Protect Me](#) for customized face shields and hands free door openers. If you are looking for company branded facemasks, [ABBA Design](#) has some great customizable options. Both companies are small businesses in Northern Virginia, doing what they can to help protect others during the pandemic.

Carrier Credits—Many of the carriers we work with are offering varying types of premium credits or “premium holidays” due to COVID19. Some are also offering options at renewal (based on renewal dates) for groups to elect a rate guarantee (often for two years) or some type of “premium holiday.” If you receive a premium credit or have questions about what options are available to you, please reach out to us!

Congratulations!

Like many of you, we have been trying to make the most of the extra time we have at home. During March and April, Lexy hit the books, completing over 50 hours of course work and testing to earn her Registered Employee Benefits Consultant (REBC) designation from the National Association of Health Underwriters. We are proud of her and the knowledge she will bring to our clients!
