

## MAKING WELLNESS WORK

**We know wellness is broken.**

That's why Peerfit takes wellness dollars that would otherwise be spent on big box gym subsidies or impractical incentives, and uses them on individual classes at any of the premium studios or gyms that are in our network.

### Exercise Freedom

Peerfitters select classes from our network of boutique studios and gyms with options for all fitness levels.

### Easy Access

Sign-up, reserve and discover classes easily from the Peerfit user dashboard.

### Flexibility

Yoga, Crossfit, Cycling, Boxing and more. A variety of workouts and class times with no drop-in rates or start-up fees.

### Motivation

Extra encouragement provided with team specific fitness parties, class recommendations, and Invite-a-Friend feature.
